Forgotten Songs: Reclaiming The Psalms For Christian Worship

Forgotten Songs-Ray Van Neste 2012-10-01 Christian scholars write to inspire renewed interest in actively praying, reciting, and singing the Psalms in personal and corporate times of worship, citing its biblical basis and historical emphasis.

The Church - Its Nature, Ordinances and Offices-John W Keddie 2019-01-22 This book covers most aspects of the Christian Church as an institution, in its nature, government, worship, sacraments and offices. It is written from a perspective which is both Reformed and Presbyterian. The study is designed to be informative and of practical help to all Church office-bearers and to those who may enquire as to the nature and functions of a Christian Church as an institution for the public worship of God and the advance of the gospel of God's grace.

Themelios, Volume 44, Issue 3-D. A. Carson 2020-02-10 Themelios is an international, evangelical, peer-reviewed theological journal that expounds and defends the historic Christian faith. Themelios is published three times a year online at The Gospel Coalition (http://thegospelcoalition.org/themelios/) and in print by Wipf and Stock. Its primary audience is theological students and pastors, though scholars read it as well. Themelios began in 1975 and was operated by RTSF/UCCF in the UK, and it became a digital journal operated by The Gospel Coalition in 2008. The editorial team draws participants from across the globe as editors, essayists, and reviewers. General Editor: D. A. Carson, Trinity Evangelical Divinity School Managing Editor: Bruce Tam, Bethlehem College and Seminary Consulting Editor: Michael J. Ovey, Oak Hill Theological College; Andrew David Naselli, Westminster Theological Seminary; John Howard Yoder, Crossway, Jason Sexton, Golden Gate Baptist Seminary Editorial Board: Gerald Bray, Beeson Divinity School Lee Gatiss, Wales Evangelical School of Theology Paul Hesel, University of Northwestern, St. Paul Paul House, Eton Divinity School Ken Maginnson, The Southern Baptist Theological Seminary Jonathan Pennington, The Southern Baptist Theological Seminary James Rishon, Wycliffe Hall Mark D. Thompson, Moore Theological College Paul Williamson, Moore Theological College Stephen Wintzer, Pepperell Christian Fellowship Robert Yarbrough, Covenant Seminary

The Community of Jesus-Kendell J. Easley 2013 A biblical, historic, systematic, and missional theology of the church with contributions from noted academic leaders including Andreas J. Köstenberge, David S. Dockery, Kendell J. Easley, Christopher W. Morgan, and several others.

Melodies of a New Monasticism-Craig Gardner 2018-03-09 The New Monastic Movement is a vibrant source of renewal for the church’s life and mission. Many involved in this movement have quoted Dietrich Bonhoeffer’s conviction that the church must recover ancient spiritual disciplines if it is to effectively engage “the powers that be.” Melodies of a New Monasticism adopts a musical metaphor of polyphony (the combination of two or more lines of music) to articulate the way that these early Christian virtues can be woven together in community. Creatively using this imagery, this book draws on the theological visions of Bonhoeffer and the contemporary witness of George MacLeod and the Iona Community to explore the interplay between discipleship, doctrine, and ethics. A recurring theme is the idea of Christ as the cantus firmus (the fixed song) around which people perform the diverse harmonies of God in church and world, including worship, ecumenism, healing, peace, justice, and ecology.

The Hymn-2015

The Glory of Kings-Peter J. Leithart 2011-09-01 Over the past several decades, Reformed theologian and biblical scholar James B. Jordan has produced a unique body of work. His electrifying commentaries and essays on Scripture, along with his penetrating writings on Trinitarian theology, liturgics, music, and culture have inspired a growing number of pastors and theologians. In this Festschrift, Jordan’s friends and associates celebrate his contributions by applying his methods and insights to a range of biblical, theological, liturgical, and cultural questions. The Glory of Kings aims to bring Jordan’s work to the attention of a wider audience and to introduce the work of one of the most important Christian intellectuals of our day.

Deus no redemoinho-David F. Wells 2016-06-21 Neste importante livro, David Wells começa o processo de relacionar à prática sua in fluente crítica da cultura moderna e da igreja. Aqui nós temos uma ‘teologia prática’ para conduzir a vida da igreja com base na realidade de um Deus de ‘santo-amor’. Essa maneira de entender e pregar a doutrina de Deus, Wells acredita, protege a igreja de ser cooptada pela cultura ou de tornar-se uma subcultura de gueto. Décadas de ensino de teologia são transformadas aqui em capítulos acessíveis, práticos.

The Forgotten Luther II-Paul A. Wee 2019-04-02 In this critical time in history, this volume argues that what is urgently needed is a coherent, clear, biblically based and theologically grounded rationale for the manner in which the church speaks and acts in the political arena. Lured at times into other worldly quasi nationalism because of the pressure of historical events or distorted through a rigid understanding of the two kingdoms, the church of the Reformation has at times been silent in addressing the political factors that create and contribute to hunger, injustice, and war. This book looks carefully at the public witness of Martin Luther and its meaning for preaching, teaching, and carrying out public ministry today. Luther’s conviction was that government is responsible to God for containing evil and maintaining peace and good order, and for ensuring that no person is hungry or in want. The book asks critical questions: When should the church support the state’s agenda? When should it resist? What are the options for critical but constructive cooperation? This helpful volume includes essays from leading Lutheran theologians, a summary description of what this means for local ministry, and a study guide to encourage conversation and action.

Reclaiming Your Heart-Denise Hildreth Jones 2013-02-18 Have you ever wondered where the abundant life Scripture promises is, and how you seem to have missed it? Do you ever catch yourself saying, “Those were the years of my life”? A failed relationship, a health crisis, a job loss, the death of a loved one—all can cause us to hide out, go numb, give up. Before we even know it, we’re simply coping with life instead of living it to the fullest. It happens to most of us at one point or another. For author and Bible study teacher Denise Hildreth Jones, it happened in the wake of her devastating divorce. But she fought desperately to reclaim her God-designed heart, and now, in her transparent, authentic style, Denise challenges you to do the same. Sharing stories from her own journey and others she’s walked alongside, Denise will help you identify ways you’ve given your heart to “lesser gods” like performance, people-pleasing, and control, and how to find your way back to God’s design for your life—to laughing, loving, and living life to the fullest.

Reclaiming Our Forgotten Heritage-2008

A Prodigal Saint-Nadeszda Kirenko 2000 Rarely are we privileged to see the making of a saint, but it is just what this book gives us for John of Kronstadt (1829-1908), a major figure in the religious life of Late Imperial Russia. So popular was Father John during his years of ministry that Kronstadt became a pilgrimage site replete with peddlers selling souvenir photographs, postcards, and commemorative mugs. A Prodigal Saint follows Father John’s development from activist priest to venerated spiritual leader and, after his death, to his elevation to sainthood in 1990. We see both the inner life of an aspiring saint and the symbiotic relationship between a living icon and his followers. Father John represented a fundamentally new type of religious behavior and a new standard of sanctity in Late Imperial Russia. He ministered to the poor of Kronstadt, creating shelters and employment programs and participating in the temperance movement. In the process he acquired a reputation for prayerful interference that soon spread beyond Kronstadt. When he was asked to minister to the dying Alexander III in 1894, his fame became international as he attracted correspondents from the United States and Europe. In his later years he allied himself increasingly with the radical right, which has had momentous implications for the Russian Orthodox Church in the twentieth century. Kirenko draws upon rich and virtually unknown documents from the Russian archives, including Father John’s diaries, thousands of letters he received from his followers, and the police reports on the sect that formed around him. John’s diaries are a truly unique source, for they document the making of a modern saint: his struggles with doubt, his ascetic practices, and his growing realization that others saw him as a saint. Kirenko explores the extent to which Father John collaborated in the formation of his own cult and how he himself was influenced by the expectations and desires of his audience. In the final chapter she follows Father John’s posthumous reputation (and the struggles over how to use that reputation) in Russia, the Soviet Union, and throughout the world. A Prodigal Saint is published in collaboration with the Harriman Institute at Columbia University as part of its Studies of the Harriman Institute series. It is a pioneering study that contributes to our understanding of lived religion, saints’ cults, and modern Russian history.

New York Weekly Review-1858

Forgotten Songs: Reclaiming The Psalms For Christian Worship
RetroChristianity Michael J. Svigel 2012-04-30 Evangelicalism is in trouble. Surveying the modern evangelical landscape, professor Michael Svigel asks, “Why does evangelicalism appear to be spinning out of control, losing appeal to younger generations, dwindling in numbers, or selling out to pop culture to muster a crowd?” He seeks to answer this question by looking to the past—to a Retro Christianity. Calling for a return to evangelicalism’s historical and theological roots, Svigel begins by addressing some of present-day evangelicalism’s problems and explores what can be done to help churches regain a healthy perspective on doctrine. He then gives practical examples of what establishing a biblical, historical, and theologically sound foundation will mean for Christians as they think through aspects of church life and worship. As the numbers of those confused or disenchanted with evangelicalism continue to grow, Svigel’s book meets a timely need and will benefit many readers with his balanced argument for preserving the evangelical faith.

A Selection of Hebrew Melodies, Ancient and Modern - Isaac Nathan 1988

Billboard - 1997-01-11 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Works of J. G. Pike, of Derby. With a Biographical Sketch - John Gregory Pike 1862

Abstracts - American Academy of Religion 1995

The Insurgency of the Spirit - Robert Shore-Goss 2020 This book is an animist Christian liberation theology and a call to insurrection against the fossil fuel empires that have created the climate catastrophe. As such, it retrieves the animist Jesus to inspire resistance to anti-ecological, contemporary settler colonization of the Earth. —John Grim, Yale School of Forestry and Environmental Studies, and Yale Divinity School

The Journey - Alister E. McGrath 2000 Alister McGrath has created a map for Christians who wish to explore and enrich their spirituality. Using examples from the lives of renowned Christians, he shows readers how to overcome the obstacles that can block the journey to God: doubt, distraction, temptation, tiredness, emptiness, and low self-esteem. These preachers, writers, and pastors encouraged their followers to look beyond the transitory concerns of this world, and to focus on God and what He offers to those who prevail on their spiritual journey. The Journey is an essential book for all Christians.
